REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hampton Elementary has continued to grow with the belief that every child should have the opportunity to achieve. During the school year, our students were instructed using researched based techniques and South Carolina educational standards. All of Hampton Elementary teachers are highly qualified and the staff includes teachers that have a PhD and National Board certification. To further assist with differentiation of instruction, teachers made use of student's scores on the Measurement of Academic Progress (MAP) test to identify individual strengths and weaknesses. Students also made gains in reading and math by taking advantage of the Academy of Reading and Math software available at school.

Our teachers and administrators provided opportunities for students to excel in fine arts as well as academics. The HES Dance Team performed for students and teachers, as well as winning 1st place at a state dance competition. 6th grade students have the opportunity to participate in chorus or band. Several students won poster/art contest, and one student's art work was even featured in a state wide calendar. To incorporate hands on activities, students take frequent educational field trips including a 3 day overnight experience to Barrier Island.

Parents are a vital part of helping student achievement at Hampton Elementary. With suggestions and input from a strong School Improvement Council, parents are able to be part of the decisions made at school. The Hampton Elementary PTO sponsored a Fall Festival that raised money for the school. In other efforts to involve the community, several local ministers visit the school to mentor students. The school and two local churches are also part of a 21st Century grant that provides an after school program for students.

This past year, Hampton Elementary was recognized as a Palmetto Showcase School by the state of South Carolina for closing the achievement gap and raising test scores. We would like to thank the parents and community for supporting Hampton Elementary.
